the interchange of the rate of pay fixed for the Aryabalika pathasala & the Govt girls' school may be approved

4 The reasons given for giving 110 Rs to Puttusubbamma & the maximum of the grade viz 100 Rs to Mrs Vengadamma are not very strong, but in the absence of a large number of suitably qualified lady teachers, the personal element has to be given much consideration & it will probably be best to concede Miss Vengadamma's request than put in a less suitable headmistress in charge of the School

To take the latter first it does not appear that any rate of pay has been fixed for the place of the Head mistress of the Arya Balaka Patasala The late Lakshmi Devamma was first appointed Head mistress of the Pāṭaśāla on a pay of Rs 100 because she had passed the matriculation Exn from the Maharanis Coll and was considered a suitable person for the post and had served as such for some time Her pay was increased to 150 Rs because she passed the F A Exam Now is it not evident that the pay of Rs 150 on Lakshmi Devamma was drawing was personal to her and not fixed for the Head mistress of the Patasala So the basis of the interchange proposed does not seem to be correct As for any promotion to Puttasubbamma, then it can only be pointed out that the pay she is already getting is more liberal than the rates fixed by G O No 1239-408 dt 24th Aug 1901 for a matriculate and it does not appear that she has acquired further Oriental qualifications Besides, it is only recently she seems to have got to the maximum pay of her grade

Therefore the starting pay & not the highest pay attainable

b As for mrs Vengadamma, it seems some what unreasonable on her part to refuse to go out of mysore unless her salary doubled Whilst it is not denied that a greater regard for the wishes & sentiments should be shown by the members of a department composed of the Natives of the Country to which mrs Vengadamma belongs than would be possible or proper in a department composed of the Natives of a different Country, it is submitted that Rao Bahadur Vengadamma's request seems to be exorbitant It would be well if she could be persuaded to accept the 75-10-100 grade with an increment of two allowed in advance as a special case
